

"I heard nothing but RAVE reviews..."

Brian Richards

PRE-SCHOOL FUN!

"For us at New Horizon, one of the most important things and best part about your show is the participation! Your encouragement to get the kids to be a part of the show is wonderful." -Kristen Dix, New Horizon

"THE HIGHLIGHT OF MANY OF OUR EVENTS"

"A great program. We have had Brian here for many years and the children are always excited for the him to come. One year he had a trick with a can of Pringles which they had never had before. Now their child insists on getting Pringles every time they go to the store....so kids remember his program years later!"

-Lisa Nelson, Peace Lutheran Daycare

"What a great performance. We learned so much about Dr. Seuss and the characters through the great magic and stories the were shared. Would recommend that everyone see it and be ready to have fun and laugh"

Central Pre-school**

"I referred this program to our other 2 locations and told them if they haven't scheduled 'Inside outside' that they needed to! The children loved it! I loved how engaged Brian is with the children."

-Lisa Szulga, Miniapple Int'l Montessori

"ALWAYS PACKS THE ROOM!"

"Our preschoolers had a great time at Seuss on the Loose. Brian has a great rapport with the kids and kept them laughing and on the edge of their seats. We can't wait to have him back again!" -Susan Schmidt, Family of Christ Preschool

"Brian is so nice and easy to work with! He is not always doing the same thing, he changes his shows and themes which is GREAT! We always schedule a show with him."

-Alyssa Ondich, Memories & Milestones

"You are HILARIOUS!!"
