“Brian’s “Spooky Not Scarry” magic show was a great addition to the Science Museum of Minnesota’s annual Halloween event Boo-ology! Both shows were filled with children and adults who looked engaged and amused. Brian arrived with his rolling case and took care of all his setup on his own in a quick and easy fashion. The kids loved it, we loved it, and Brian sure seems to love it! It was a great addition to Boo-ology.”

This made my job of planning and organizing the center's Halloween event/party much easier, yet still provided a quality experience for the children in attendance.” **-Thomas Ferrara, Rice Recreation Center St. Paul**

“After the program many of the teachers came to me saying it was the most fun-filled program that we have had for a long time. The Halloween theme was a great treat. The children went home and told their parents about your magic so parents even mentioned how much the children liked the show. Thanks again for giving us such a fun time! We will definitely set up a time for next year for you to return.” **-Mary Desmond, Child Garden**
