Brian Richards Scouting VALUES!

"The boys had a ridiculously good time. His sense of humor was spot on with young boys. Brian knew how to 'work' the crowd and at the same time kept disciplin which can be a challenge with revved up boys! Customer service was outstanding!"

"I am a parent and leader in Pack 481. I have to say I absolutely loved your show! I know my boys are still talking about it and laugh as they think about it! I have to smile when I think of the reaction from the boys, especially the collective gasp when you wrote on and cut the neckerchief! I wouldn't change a thing! You were entertaining, kept things moving and mixed in great life lessons! "
